Mr. John V. Kelly
Inspector General (Acting)
U.S. Department of Homeland Security
245 Murray Lane, SW
Washington, D.C. 20528

Dear Acting Inspector General Kelly:

We write today to request that the Office of the Inspector General conduct an audit of expenses incurred by the Secret Service in relation to President Trump's visit to the Trump Turnberry, a luxury golf resort in Scotland, from July 14-15, 2018.

During his stay at Trump Turnberry, the President made no public appearances and played two rounds of golf.¹ Reporting thus far suggests that this cost American taxpayers over \$68,000 for hotel rooms, phone lines, rental cars, and a "VIP visit".² The trip's total price tag is reportedly set to increase further, up to \$1.2 million, with payments to Trump Turnberry potentially exceeding \$100,000, when costs are assigned to two remaining open contracts that the U.S. government owes SLC Turnberry Limited, the company that owns the resort.³

This is not the first time that President Trump and his family's choice of travel accommodations have resulted in exceptionally high costs. During his first year in office, his frequent weekend trips to his golf resorts in Mar-a-Lago, Florida; Bedminster, New Jersey; and Potomac Falls, Virginia led to a severe depletion of the Secret Service's budget.⁴ The agency's bills included at least \$137,000 spent renting golf carts at golf courses owned by President Trump.⁵ Recent reporting also found that in one month alone, the Secret Service spent nearly

\$250,000 to protect the president's adult sons, Eric Trump and Donald Trump Jr., as they travelled to Dubai to open a Trump-brand golf club and other foreign destinations.⁶

There is no question that the Secret Service is required to protect the President and his family, regardless of where – and how – they choose to spend their time. In order to fulfill our responsibility to ensure the sound stewardship of taxpayer dollars and better understand any instances of waste, fraud, or abuse associated with the President's stay in Scotland, we request that you conduct an investigation that answers the following questions:

1. How much did the Secret Service spend for the President and his family's visit to the Trump Turnberry?
2. How much did Trump Turnberry gain in profits from the Secret Service's spending for the President and his family's visit?
3. How many Secret Service agents travelled with the President and his family to the Trump Turnberry?
4. How much did the Secret Service spend in overtime pay for agents protecting the President during this visit?
5. What was the rate that the Secret Service paid for hotel rooms at the Trump Turnberry?
6. How much did the Secret Service spend to rent golf carts at the Trump Turnberry?
7. How much did the Secret Service spend on meals and other incidental costs at Trump Turnberry?
8. What other costs did the Secret Service incur during the president's visit to Trump Turnberry?

If you or members of your staff have any questions about this request, please feel free to ask your staff to contact Roberto Berrios with Senator Carper's office at 202-224-2441 or Brian Cohen with Senator Warren's office at 202-224-4543 or Valerie Shen with Ranking Member Cummings at 202-225-5051.
